### APPENDIX

#### BOARD OF EDUCATION

##### *Report No. 1*

We would respectively call the attention of the Conference to the fact that there is a bonded indebtedness of \$40,000 upon Trinity College that will reach maturity in 1913. Our share of this indebtedness is \$20,000.

We have learned from reliable sources that the North Carolina Conference is creating a sinking fund for the purpose of meeting its share of this indebtedness.

It is the opinion of your Board of Education that our Conference should, in some way, provide for the payment of its share of this debt.

Our plan of apportionment for this and the next two years has already been definitely fixed so far as concerns the assessments already made; and we deem it unwise to disturb this arrangement.

But in view of this indebtedness and its rapidly approaching maturity, we recommend that the Conference make an additional assessment of \$1,000 annually, which shall be forwarded to the Treasurer of Trinity College for the purpose of creating a sinking fund to be applied upon our share of this indebtedness when it matures; and we recommend further, that the amount to be appropriated to Trinity College through our present plan, be also applied to this sinking fund.

E. L. BAIN, *Chairman.*

J. D. HODGES, *Secretary Pro. Tem.*

##### *Report No 2*

Your body referred reports and items to us from the following sources: The General Board of Education, the Correspondence School, the Biblical Department of Vanderbilt University, Trinity College, Greensboro Female College, Davenport College, Weaverville College, Rutherford College and the Chicago National Peace Conference.

We are glad to report that all our institutions of learning are prosperous, most of them having gained during the year both in material equipment and patronage. Some of them are embarrassed with success, their dormitory facilities being inadequate to meet the demands upon them. We especially rejoice that the Greensboro Female College endowment has reached the \$100,000 mark making ours the best woman's college in the M. E. Church, South, with one exception.

With respect to our Conference schools and those jointly owned by us, and the North Carolina Conference, we recommend that you reaffirm Report Number 2, made to our Conference last year, as the policy of this Conference for the coming year, except as otherwise provided in our Report Number 1, adopted by this Conference.

Revs. A. P. Tyler and L. S. Massey, Commissioners of the North Carolina Conference, were before your Board with the request that

a common policy with reference to the institutions owned by the Western North Carolina and North Carolina Conferences be agreed upon, affecting the financial and moral support of those institutions, and Report Number 1 was the result of our mutually satisfactory deliberations. Your Board has agreed to hold a joint meeting with the Board of the North Carolina Conference, during the coming year.

We recommend the confirmation of the following persons in the positions named: J. W. Alspaugh, J. A. Gray, W. R. Odell and F. M. Weaver as trustees of Trinity College; J. H. West, W. H. Nicholson, W. C. Thompson, H. M. Blair, H. H. Jordan and H. R. Jones as trustees of Rutherford College; E. H. Kochtitzky as trustee of Greensboro Female College; W. A. Schell, W. P. Ivey, A. N. Todd, J. R. Ervin, J. H. Beall as trustees of Davenport Female College; F. M. Weaver, D. Atkins, J. J. Reagan, A. W. Plyler as trustees of Weaverville College. We recommend the following appointments: W. M. Curtis, Secretary and Treasurer of Greensboro Female College; C. C. Weaver, President of Davenport College; J. B. Craven, Professor in Davenport College; W. O. Rudisill and W. C. Jones, students in Vanderbilt University; J. D. Rankin, President New London High School.

We suggest that the first Sunday in March be observed as Brevard Day, and that our preachers present the claims of this school to their congregations on that day and take a collection for the same. Brevard Day this year yielded \$833, although observed by less than half our pastors and charges.

We commend the purpose and plan of the General Board of Education, operating under the direction of the General Conference, "to bring together 100,000 persons in an Education Extension Federation, pledged to the payment of a dollar a year for five years, during the week of prayer for colleges," in order that an Education Extension Foundation of a half million dollars may be built up, to meet the increasing demands upon the General Board in our mountain and rural schools in our pioneer Conferences, and in the Colored Methodist Episcopal Church.

Your Board has placed Rev. F. L. Townsend in charge of the Education Extension Foundation in our Conference.

Your Board would respectively, but earnestly, urge that the cause of Christian Education be presented in sermons, addresses and conversations by our preachers as often as possible during the year; that they diligently seek to direct our young people to our own schools; that no discrimination against the Educational Collection be made in the division of funds arising from taking all the benevolences together, and that an Educational Evening be held in our District Conferences.

The Educational Assessment, as already adopted in the report of the Joint Board of Finance, is \$9,000; the Extension assessment is \$2,150.

With reference to the literature and cause presented to your body by Mr. F. S. Blair, a representative of the National Peace Conference, we commend the cause, advise our people to sign the Petition to the Third Hague Conference, and recommend that you appoint a committee other than this Board to co-operate throughout the year with those in charge of the movement seeking universal peace.

E. L. BAIN, *President.*

#### BOARD OF MISSIONS

One million dollars for foreign missions by March 31, 1910, is the call that the Board of Missions has sent out to the church. This sounds impossible to those who do not know the facts. But it is not impossible. On the contrary it is easily possible. Last year the whole church paid \$831,997.66, and the Western North Carolina Conference paid \$32,240.79.

An increase of 7 cents per member will pay our part of the increase. Shall we not raise it? The laymen have pledged their hearty co-operation. Let us adopt their motto, "We can and we will."

We are glad that the Board has not undertaken to secure this increase by an increase in the assessment. With them we believe that as we learn to give willingly in thankful acknowledgement of the goodness of God, and in loving sympathy for our brother's need, we secure a greater spiritual benefit for ourselves, and we are sure that already our people are giving voluntarily more than they would do upon an assessment.

One million dollars per year for missions is but little more than 55 cents per member, while the amount accepted as our standard is two dollars per member. This is necessary to do the work assigned to us, and accepted by us. We are well able to pay it. In fact we cannot afford to pay less. We therefore urge all our pastors to announce this and teach their people to make it a reality. Let us say again, "We can do it, and we will."

We can do it when every one of our members becomes a regular contributor to missions. Again we urge our preachers to scatter the literature furnished by the General Board for the "Every Member" campaign. If we will all enter upon this campaign vigorously and earnestly, we can succeed. And we should try to se-

cure from every member not only yearly contributions, but a contribution every month, and even every week. As our plans become more systematic they become more successful. As our gifts become more frequent the habit becomes more firmly fixed, and it has been well said, "No virtue is ever really our own till it becomes a habit."

No more efficient help in carrying out this program of advance can be found than "Go Forward." It ought to be in every home of our church. The effort to keep this bright missionary paper before our people will yield large returns.

We urge that more emphasis be given to the collection for Domestic missions. As you all know much work is yet to be done in our own Conference that cannot be done without the help of this fund. Every year there is a demand by the presiding elders for larger appropriations to extend our work into communities opened up by the new railroads, or created by new industrial enterprises. And in some sections we are told that we are actually losing ground for lack of missionary money to properly man the works we have.

We are glad to note that there is a growing disposition in our strong city churches to help the weak churches of their own towns, and also to project and sustain new enterprises where needed, without decreasing their gifts to our Conference missions. This spirit deserves all praise, and we commend it to all our strong churches. May it soon become the rule in all our towns.

We recommend the appointment of D. H. Comann as Missionary Evangelist.

## SUNDAY SCHOOL BOARD

It is possible for the Sunday School to be one of the most important links in our religious educational system. This institution of the church is fraught with great possibilities not only for stirring the moral sentiments and assisting the will, but also for improving the mind. We desire to emphasize that it is a school, a place where those not yet in full church membership may be instructed and prepared to take the vows of membership intelligently; and where all Christians may arm themselves for the conflict with evil by gaining a knowledge of that weapon with which Christ so effectually met the adversary of the souls of men. Moreover, since the home has left this work of teaching the children to the Sabbath School and the public schools give no systematic training in the Bible and many children never go to high school or college, the Sunday School has a great opportunity in the field of Christian education.

Being then an educational institution, the Sunday School cannot do its best work without adequate equipment. Realizing this the General Conference, through the proper channels, is undertaking to make this equipment more efficient by selecting and editing books for libraries, preparing a course of study for teachers, and by establishing at Vanderbilt University, a chair of Religious Pedagogy, not only for the thorough training of the students in the Biblical Department, but through the Correspondence School to reach and help the large body of undergraduates and others who seek its aid. For endowing this chair the University looks to the Sunday School. We are glad to report we are able this year to appropriate two hundred dollars to this worthy cause.

Your Board desires to emphasize the importance of holding a Children's Day service, not only in every charge, but in every church, at which the collection taken shall be applied to no other purposes than those named in the discipline.

We recommend the establishing of libraries and the promotion of teacher's study circles in all our schools and the holding of teacher's meetings.

We recommend further that we strive to make the Sunday School enrollment at least equal to our church membership.

M. A. SMITH, *Chairman.*

W. O. RUDISILL, *Secretary Pro. Tem.*

## EPWORTH LEAGUE BOARD

The Board is glad to believe that in many parts of our Conference there is increased interest in the Epworth League, and that the work is going forward.

We rejoice to report a growth in the number of League chapters and members. There are now 66 Senior Leagues with 2,184 members, and 36 Junior Leagues with a membership of 1,259. Making a total of 101 League chapters and 3,433 members.

We would urge upon our members the necessity of seeing that Junior Leagues are organized in every church in our Conference, where it is possible for it is our earnest belief that there is no other one thing so essential to the prosperity and the permanency of our work, and nothing that so abundantly repays the amount of time and labor expended upon it.

Several districts are unorganized for Epworth League work and therefore we would urge the Leaguers in each district to

agitate the question and secure the working of a District League Conference.

Seeing that there is always some expense connected with the holding of our League Anniversary, and that the Board has no power of raising funds, we suggest that the Leaguers of the Conference, sometime before the session of the next Annual Conference, take a collection in their Leagues and send the amount raised to Rev. C. M. Pickens, Secretary of the Board, for that purpose.

The Board is most anxious for the organization of a League Conference and therefore has suggested, or nominated, suitable persons as officers of such a League Conference their primary duty being to arrange for a meeting of Leaguers from our territory, at some suitable place in the month of April, and complete the official cabinet of a Conference League.

They are as follows: President, R. E. Atkinson; First Vice President, G. G. Harley; Second Vice President, J. Frank Armstrong; Third Vice President, C. S. Kirkpatrick; Fourth Vice President, D. J. Miller; Secretary, Olin P. Ader; Treasurer, Miss Bessie Aiken; Junior League Superintendent, Miss John Starr.

We wish to express our appreciation of the work of Rev. R. E. Atkinson in the editing of a League column in our Christian Advocate, and request that he continue the same during the coming year.

The thanks of this Board are hereby heartily tendered to the Rev. S. A. Steel, D. D., for the good he has done for our cause in the splendid address he delivered at the request of the Board at our Anniversary and mass meetings.

These meetings, during the session of our Conference, have assumed an importance, and have developed a value that can hardly be estimated, therefore, be it

Resolved, That Wednesday evening of our next Annual Conference be set apart as the time for holding an Epworth League Anniversary, and that this Board is hereby directed to provide a suitable program for the occasion.

C. M. PICKENS, *Secretary.*

A. T. BELL, *President.*

#### BOARD OF PUBLICATION

We beg to report that in accordance with the action of this Conference at the last session held in the city of Asheville, the act of incorporation was passed by the General Assembly of North Carolina, a certified copy of the act being filed with our records, also with the Secretary of the State.

At a meeting of the Board held at the Advocate office, in Greensboro, on the 13th day of May last, the following officers were elected: D. B. Coltrane, President; J. R. Scroggs, Vice President; N. L. Eure, Secretary.

H. M. Blair was elected agent and treasurer of the Board.

As provided in the act of incorporation, all the property of the Christian Advocate Publishing Company was transferred to this Board, and the deed of conveyance duly registered in the office of the Register of Deeds of Guilford County, all the outstanding certificates of stock having been taken up and deposited with the records of the company in the Advocate office.

Following is the statement of the condition of the plant on November 1st, 1909:

## RESOURCES

Office Building .....	\$ 9,211.46	
Machinery and Fixtures .....	13,847.62	
Cash on hand .....	329.07	
Ledger Accounts .....	1,571.56	
Subscription Accounts .....	2,500.00	
Total .....		\$27,459.71

## LIABILITIES

Investment .....	\$11,646.00	
Bills Payable—Notes .....	9,585.99	
Ledger Accounts .....	933.61	
Surplus ... ..	3,933.24	
Net Earnings for the Year ....	1,310.87	
Total .....		\$27,459.71

Of the indebtedness \$5,000.00 is on the office building, and \$3,879.89 is on the office machinery and equipment. On this a series of notes were given, falling due at intervals during a period of five years. During the past year notes on the machinery and equipment amounting to \$2,239.37 were paid, besides the interest on the building note, making a total of \$2,539.37 paid on indebtedness last year. A careful inventory was made on November 1st. Detailed report is on record with this Board.

It is with great pleasure that we are enabled to report the business in such satisfactory shape. When we consider the magnitude of the undertaking, as compared with resources in hand when we began a little more than three years ago, we feel that we have no reason for discouragement. With continued fidelity and earnest work on the part of the pastors and leading laymen, we feel confident that our Conference paper can maintain its high standard and can continually enlarge its mission of usefulness, and at the same time our printing establishment will become a source of help to our superannuated preachers, widows and orphans.

Owing to the large losses sustained heretofore in the subscription department, this Board earnestly recommends that the preachers co-operate with the manager in reducing this department to a cash-in-advance system, adhering to the regular price of \$1.50 per year.

We beg in this connection to call attention to the item in the editor's report, showing that the average amount received in the subscription department during the last year is only 91 cents per subscriber, whereas the paper is sold ostensibly at \$1.50 per year. This shows that our method of credit has been exceedingly unsatisfactory, and that we should insist on the cash system hereafter. When we consider that all expenses have greatly increased during the last three years, also that every dollar of profit from this business accrues to the benefit of our Conference fund, we see no good reason why any of our people should object to the price, especially when we consider the real worth of the paper itself, now conceded to be one of the best in Southern Methodism.

That we may inaugurate a great campaign for the increase of the circulation of the Advocate, we recommend:

1st. That each presiding elder be requested to take charge of the campaign for his district, and on the first round, if possible, see that not less than an average of ten new subscribers be secured in each charge.

2nd. That in order to expedite the work, the presiding elders be requested to get full information from the office in the beginning of the year, and send an apportionment to each pastor following up in his quarterly meetings with an earnest effort to secure the full allotment for each charge.

We also recommend further, that as far as possible, preachers and laymen be requested to patronize the job department and to do all possible to turn business in this direction.

The Board has elected Rev. H. M. Blair as editor for the ensuing year and recommends that the Conference concur in the same, and that the Bishop be requested to appoint him to this work. On his request, we also recommend that the Bishop appoint Rev. W. L. Sherrill as his assistant.

The Board also nominates W. G. Bradshaw to be elected a member to fill the vacancy caused by the expiration of his term.

The Board wishes to commend the excellent business management of the Rev. H. M. Blair during the past eight years, and to assure him of the united and hearty moral support of the Conference in his difficult work.

Respectfully submitted,

D. B. COLTRANE, *President.*

N. L. EURE, *Secretary.*

#### BOOKS AND PERIODICALS

We are pleased to note the continued improvement of the North Carolina Christian Advocate, the official organ of our Conference and we urge that there be earnest co-operation in the effort to put the paper into every home. We regard this as essential to the success of our work. It is the sense of your committee that the Conference should co-operate faithfully with the Board of Publication in its efforts to increase the income of the paper from subscriptions, by insisting on the full price of \$1.50 per year for the paper, subscriptions to be paid in advance.

This committee wishes further to express its appreciation of the earnest work done by Brothers Blair and Sherrill and hopes that every member of this Conference will give their earnest co-operation in the performance of this work.

Your committee notes with pleasure the report made by the Nashville Publishing house and we would most earnestly advise that our pastors strongly insist on all Sunday school superintendents using literature published by our own house.

We trust our people will do all they can to increase the circulation of the Christian Advocate and the Quarterly Review, both of which publications we are justly proud and hope to see both placed in more of our Methodist homes.

W. A. NEWELL, *President*

J. F. SHINN, *Secretary*

#### TRUSTEES OF THE CHILDREN'S HOME

It is with profound thanksgiving that we submit to you our second annual report. The good hand of our God has been upon us throughout the entire year, and we feel that the success attending our efforts is due more to His superintending providence than to our wisdom.

The first act of the Board was the employment of a permanent architect. After examining the sketches submitted by several firms Hook & Rodgers were unanimously selected as the permanent architects for the institution.

About the middle of the year it became possible to purchase a tract of land known as the Davis School property, which lies adjacent to the tract already purchased. The wisdom of this purchase lies in the fact that it so supplements the ground previously purchased, as to give us a body of land comparatively isolated and free from encroachment. On this property were several buildings, well located and constructed, but out of repair. The Board decided to put these buildings in repair, which could be done at comparatively small cost, and open the institution at once.

These houses are neat, comfortable, and so situated as not to interfere with construction of permanent buildings, and will afford accommodation for seventy-five children. They will be of practical value to the institution for several years, and will well pay for the expense invested in them.

We now have a tract of land embracing two hundred acres, which will be ample for the institution, as far as we can see, for all time to come.

The opening of the institution made necessary the employment of the Superintendent, and answering to the need of the hour was the man. Your Board feel that in employing Prof. H. A. Hayes, as Superintendent of the Home, it has been exceedingly fortunate. His election was unanimous, and the success attending his labors so far justify his election.

Your Board, after careful consideration, have adopted a Constitution and By-Laws. In these are all the necessary provisions for the management of the institution. This document will be printed and distributed among the preachers of the Conference in a short time.

The home was formally opened the first of September, and on the date applications had already been received for more children than could be accommodated, and up to this time the applications far exceed the capacity of our cottages, and continue to come in increasing numbers, which indicates not only the pressing need of such institutions, but the need of haste to enlarge our capacity.

Our Field Agent, Rev. J. P. Rodgers, was able to take up his work actively about the last of January. He has been diligent in season, and out of season, and as the result of his untiring efforts he is able to report subscriptions to the amount of \$25,000.00. The hearty response given to his appeals assures us that the gifts of our people will come with increasing numbers and amounts, as this work opens before them. We ask for the re-appointment of Brother Rodgers to this work.

Your Board has adopted as a financial policy for the institution: First, that all subscriptions secured by the Field Agent shall constitute a building and endowment fund for the payment of land, improvement of the same, and the construction of buildings. Second, that the current expenses of the institution shall be met, first, by collections taken every fifth Sunday in our Sunday schools, second, by free will offerings taken in our churches on Thanksgiving Day, and a Harvest Home week held the first of October of each year, during which time public gatherings shall be held in all of our churches, and the people given an opportunity to make free will offerings of money or produce for the home. We suggest as a standard for this Harvest Home week, that each charge contribute as much as ten per cent. of the preacher's salary.

We believe if this plan is vigorously operated it will secure

sufficient funds to amply support the institution. We ask that our pastors use every effort to open their charges to our Field Agent, and co-operate with him in every possible way in securing subscriptions, bequests and annuities for the building and endowment fund.

We ask you to approve the election of the following trustees: Rev. G. H. Detwiler, J. A. Glenn, Walter Thompson, and G. L. Hackney, Respectfully submitted.

G. H. DETWILER, *President*

#### LAYMENS MEETING

Accepting as we do the principle enunciated by the Chattanooga Conference that it is possible for the world to be brought to Christ in a single generation, and believing that the time to do this is in the generation in which we now live, and as loyal Methodists desirous of shouldering the burden of our quota in the evangelization of the world, which quota amounts to forty million of the heathen peoples, who will never receive the Gospel unless it be furnished by us, we, as the Lay Representatives of the Western North Carolina Conference urge our brethren to rally to this cause by accepting the suggestion of the Board of Missions to raise two (\$2.00) dollars for each member in our Conference and by hearty co-operation to secure the one million dollars called for by the Board of Missions on or before March the 10th, 1910, and that that we continue to agitate increased liberality on the part of our membership until this million dollars be secured and thus make it possible for our Church to evangelize its quota of the world's population in this generation.

Second, we hereby endorse and approve the Interdenominational Laymen's Conference to be held at Greensboro, North Carolina, January the 14th to 16th, 1910, and we hereby urge our pastors and laymen to attend this meeting and obtain the benefits and uplift of this great gathering of all churches.

Third, that we most earnestly desire that our church shall not fall behind the very foremost of those who lead in this great world-wide movement, and as our church has planned a great gathering of its laymen to be held at Dallas, Texas, February the 22nd to 24th, 1910 and being desirous that the Western North Carolina Conference maintain its character as one of the most aggressive and progressive Conferences in our connection, we therefore urge the election of the following brethren as delegates to the Dallas Convention, viz:

*Asheville District*—F. M. Weaver, W. T. Weaver, George L. Hackney, F. E. Durfee, F. V. Hunter, O. S. Dean.

*Charlotte District*—J. B. Ivey, W. F. Harding, Jno. W. Gullledge, W. H. Phifer, Dr. J. E. Kerr, J. L. Little.

*Franklin District*—Prof. R. L. Madison, J. A. Porter, L. Lee Marr, Col. G. H. Haighter.

*Greensboro District*—G. H. Miles, M. W. Sterne, J. F. Craven, H. W. Fraser, J. Ed. Kirkman, C. A. Bray.

*Morganton District*—H. W. Gibson, Prof. I. B. McKay, D. D. Johnson, W. J. Slagle.

*Mount Airy District*—E. H. Kochtitzky, E. H. Smith, A. M. Smith, Dr. J. M. Turner, Prof. J. H. Allen.

*Salisbury District*—J. F. Shinn, T. H. Stiff, W. C. Houston, R. L. Burkhead, J. D. Bivens, E. T. Bost.

*Shelby District*—J. S. Martin, J. C. Smith, R. P. Babington, J. H. Separk, W. M. Sherrill.

*Statesville District*—W. D. Turner, D. Matt. Thompson, Geo. F. Ivey, W. H. Phillips, M. M. Courtney, T. H. Pegram.

*Winston District*—F. S. Lambuth, H. A. Hayes, R. B. Crawford, A. D. Ivie, W. N. Poindexter, J. F. Hanes.

(Signed) C. H. IRELAND, *President*.

M. D. STOCKTON, *Secretary*.

#### BIBLE CAUSE

The American Bible Society is now turning off their presses more than two million volumes of the Word annually in more than one hundred languages and dialects, with an ever increasing demand.

This work of distributing the Word by the society is purely a work of faith. At the beginning of this year there was less than \$20,000.00 in the treasury available, but relying upon their faith in American Christianity, they made appropriations for their world-wide work for the year amounting to \$587,850.00, and God is giving it to them as they need it.

Our special stimulus this coming year is the securing of Mrs. Sage's conditional gift of \$500,000.00 which terminates January 1st, 1910. That we lend our aid to them as a Conference and therefore urgently recommend that December be made Bible month this year, and that each pastor present the cause to every congregation, and take a collection as a Christmas gift, and send it forthwith to J. A. Odell, Treasurer, Greensboro, N. C., stating that same is to be applied as complementary to Mrs. Russell Sage's gift.

G. G. HARLEY, *Chairman*.

J. H. BRENDALL, *Secretary*

#### COMMITTEE ON SUPERANNUATES HOMES

We commend the spirit and purpose of this Conference to inaugurate and organize a movement to secure houses for superannuated preachers and widows of the members of this Conference. We therefore recommend,

First, That W. M. Bagby be appointed agent for this movement.

Second, That a Board of Trustees be appointed to hold said property for the Western North Carolina Annual Conference of the Methodist Episcopal Church, South, and we nominate the following brethren for the Board of Trustees: G. F. Ivey, H. G. Chatham, W. D. Turner, S. L. Trogden, E. A. Cole, J. A. Nichols, W. M. Bagby, J. H. Weaver and S. B. Turrentine.

Third, That these homes, when established, shall be annually assigned to the occupants by the Joint Board of Finance, together with the agent so long as there may be an agency. If the agency should be discontinued then by the Joint Board of Finance alone.

Fourth, That all vacancies occurring in the Board of Trustees shall be filled by the Western North Carolina Conference or any successor this Conference may have.

J. C. ROWE  
H. K. BOYER

## TEMPERANCE

We heartily concur in the views expressed by Rev. R. L. Davis, Superintendent of the North Carolina Anti-Saloon League, that the cause of prohibition is suffering because of inactivity on the part of its friends and that this inactivity is due to the fact that many people feel that the work is finished when the law prohibiting the manufacture and sale of liquors has been passed, when, in fact, it is just well begun. We also believe with him, that there is beyond all question, a small per cent. of citizens who will not regard the law prohibiting the manufacture and sale of liquors, and that there is a much larger per cent. who will aid and abet this lawless set to the extent of buying their stuff, thus encouraging them in their lawlessness, and that we need further legislation to abolish the near-beer joints, and national legislation to destroy the jug trade. To meet these conditions your committee recommends,

First, That our pastors and people do all in their power to organize auxiliary Anti-Saloon Leagues throughout the bounds of our Conference, deeming this the best method of perpetuating the strong sentiment that made our first prohibition victories possible, and which will demand the enforcement of the law already secured.

Second, That we urge more stringent legislation restricting the sale of opium, morphine, cocaine, and kindred drugs.

Third, Seeing that the evil results among our young people of the tobacco habit, and especially in the form of the cigarette, recommend abstinence from the use of it.

Fourth, We recognize the value of the literature furnished by the Anti-Saloon League and recommend it to our people and especially a 26-page pamphlet entitled the "Liquor Laws of North Carolina," by Heriot Clarkson. A communication from Mr. Jas. L. Ewing, Corresponding Secretary of the Anti-Saloon League of America, announcing the meeting of the thirteenth National Anti-Saloon Convention at Chicago, Ill., Monday, December 6, with a program lasting until Thursday, December 9, 1909, was submitted to us in which our Conference is invited to name two delegates with alternates, to attend this meeting. We nominate the following delegates and alternates: Delegates, C. M. Pickens and C. W. Tillett; Alternates, W. M. Bagby and A. C. Reynolds.

T. L. LALLANCE, *Chairman.*

E. MYERS, *Secretary*

## SPIRITUAL STATE OF THE CHURCH

We have endeavored to give careful attention to the facts reported to the Conference bearing upon the spiritual state of the church within our bounds, or serving as an index to the spiritual condition of our charges.

After the consideration of every sign we reach the conclusion that there are many evidences of God's presence with us, and that our church is in a fair spiritual condition.

Gracious revivals have been held, and many souls have entered the Kingdom of our Lord.

Nevertheless, in some quarters there is a spirit of worldliness and the indulgence of those things that are questionable, if not positively wrong.

We recommend the faithful persistent preaching of the great fundamentals of our holy religion, and the earnest endeavor on the part of pastors to safeguard the youth against the pitfalls of Satan, and those practices that deaden the moral sensibilities.

We recommend further that the importance of the dedication of children to God be emphasized, knowing that Satan lays the foundation of his kingdom in childhood.

Finally, We recommend that all the means of grace be diligently used, and that earnest prayer be made for the outpouring of the Holy Spirit.

M. F. MOORES, *Secretary*      G. H. CHRISTENBERRY, *Chairman*

#### CHURCH PROPERTY

We, your committee on church property, beg to submit the following report.

We are gratified by the number and character of churches and parsonages which have been built during the past year.

We recommend that this enterprise be pushed until we have a church for every congregation and a parsonage for every pastoral charge.

We recommend that special attention be given to the matter of the location of our churches; far better pay for the lot than accept as a gracious gift one which is not well located. We urge our people to see to it that our churches are built upon the most modern plans, providing for Sunday school and class rooms; that they be constructed of the most durable materials possible, and with an eye to the needs of the future rather than the present.

We discourage the building of union churches, in view of the unpleasant complicated conditions which often arise therefrom.

Finally, we recommend that all our buildings both churches and parsonages, be insured.

Z. E. BARNHARDT, *Secretary*      D. R. PROFFITT, *Chairman*

#### DISTRICT CONFERENCE RECORDS

As a whole, the records are in excellent condition.

Those of the Asheville, Charlotte, Greensboro, Salisbury, Statesville, Shelby, Mount Airy, and Winston Districts have each been kept with care.

The record of the Waynesville District was not signed by the president.

The Morganton and Franklin District records were not before the committee.

C. M. SHORT, *Secretary*      J. W. MOORE, *Chairman*

#### SABBATH OBSERVANCE

The very existence of your committee indicates your fear that the Sabbath laws as revealed in the Scriptures, have been, or are about to be seriously violated by prevailing habits and customs; and that we as an ecclesiastical body should take cognizance of the situation and adopt our policy of defence.

From the light before us your committee report that there are just grounds for your fears, and recommend for your adoption the following:

First, That we deeply deplore and condemn as inconsistent with Christian civilization, those social and business conditions now prevalent, that render Sabbath observance difficult and so strongly tempt its violation; among which we would mention, Sunday excursions by rail or livery, either for business or pleasure, Sunday visiting, Sunday newspapers, open drug stores, (except for the sale of medicines), and cigar and cold drink stands, the running of freight trains and other forms of Sunday toil.

Second, That we again request each of our preachers to study this subject afresh, and preach at least once during the incoming year on this subject to each congregation; and that all Sunday school teachers be requested to make Sabbath observance a prominent feature of their teaching, especially to those of tender years.

Third, That we will heartily co-operate with the Lord's Day Alliance, in its efforts to secure the enactment of wholesome Sunday laws in both state and nation.

Fourth, That as far as practicable the pastors and Sunday school superintendents hold "Sabbath Observance Day" during the month of June 1910.

Fifth, That we discourage the use of Sunday trains, especially by our preachers and members, except where absolutely necessary.

G. G. HARLEY, *Chairman*

J. T. STOVER, *Secretary*

### MEMORIALS TO THE GENERAL CONFERENCE

The committee has considered the papers referred to it and recommend that we memorialize the General Conference:

First, To provide that it shall be the duty of the Board of Stewards in each pastoral charge, when fixing the pastor's salary to place the salary of pastor and presiding elder, the Conference collections and the estimated incidental expense for the year in a budget and that the same be apportioned among the members to be paid weekly through the envelope system; that the stewards, as far as possible, make said collections, thus relieving the pastor of that work.

Second, That some action be taken to eliminate the dangerous features of football.

Third, That the law be so changed that the Conference Boards of Mission and Education may co-operate in the establishment of schools in needy communities when expedient.

Fourth, That each Conference Board of Missions elect one of its own number to membership on the General Board of Missions to serve for a quadrennium.

Fifth, To change the name from Methodist Episcopal Church, South, to Episcopal Methodist Church.

Six, To extend the time limit to six years.

Seven, That the Church Conference elect by vote the stewards and Sunday school superintendents to be confirmed by the quarterly conference.

Eighth, That the name of each baptized child be enrolled on the church register under the head of "Baptized Children," and let each child be furnished with a certificate of its relation and let each pastor report to the Annual Conference for insertion in Statistics the number of baptized children within his charge.

Ninth, For a form of service for installing stewards into office.

Tenth, For one lay delegate to the Annual Conference from each pastoral charge.

Eleventh, For the office of Lay Leader or Reader, to conduct religious services in the absence of the pastor.

Twelfth, For a closer union between the Home Department of the General Board of Missions and the Conference Boards.

We recommend non-concurrence on the proposal to transfer the oversight of local preachers to the quarterly conference.

S. B. TURRENTINE, *Chairman*

L. E. STACY, *Secretary*

REV. JESSE S. NELSON

BY MISS MAMIE BAYS

When the noble spirit of Rev. Jesse S. Nelson passed from earth to heaven on the afternoon of December 28th, 1908, North Carolina lost one of her best citizens, the Methodist church one of her most faithful ministers, and his home a husband and father of that devotion and influence for good which will cause a vacancy never to be filled. He was a man of Nathaniel-like character indeed, a man in whom there was no guile, and there are hundreds of men and women in North and South Carolina who will testify to the influence for good exerted over their lives by this man of God as he went in and out among them as a pastor, and as he proclaimed to them the unsearchable riches of Christ in the pulpit through a ministry of half a century.

Mr. Nelson was born in Camden, S. C., August 22nd, 1832, being more than seventy-six years old when the end came. When a young man he entered the ministry of the South Carolina Conference. Later he came to the North Carolina Conference and since the organization of the Western North Carolina Conference, in 1890, he has been a member of that body. He was a man of splendid physique, of rich intellectual endowment, and of a consecration of heart and life which commanded and held the confidence of all who came in contact with him as a minister and in his private life. He was a preacher of marked ability and filled many pastorates, knowing well by experience the meaning of the circuit rider, the pastor of the large church and the small, and the presiding elder. No charge was ever committed to him, the slightest duty of which he did not discharge with the utmost care and faithful efficiency. He possessed a Christian experience of richness and power, hence the effectiveness of his preaching—his sermons came from his own heart and reached the hearts of his hearers. He had a consciousness never to be doubted that he was a child of God. He "knew whom he had believed" and with the perfect trust of childhood he knew that He was "able to keep that which he had committed unto Him." The life of this good man was such that no tribute is too high to pay to his memory. He did not know the meaning of compromise with evil in any form. but his whole life was one of the simple purpose of the man who carries the seal of God's approval constantly upon his life and work. His nature was one of modest retirement, but one had only to know him to be convinced of his daily communion, his constant fellowship with his Lord and Master.

He received his last appointment as pastor in the fall of 1903, that appointment being to the Belmont church in Charlotte. The year following he retired from active ministry, and since that time lived a quiet life at his home in Piedmont and exerted an influence for good upon all who visited him. For more than a

## ANNOUNCEMENT

Nashville, Tenn., July 15, 1910.

To My Brethren, Ministers, and Laymen:

The Executive Committee in their wisdom deeming a change proper, I will, on August 1, 1910, retire as Secretary of the Laymen's Missionary Movement, and resume the practice of law in Savannah, Ga.

Please accept my thanks for the generous assistance and large opportunity for service you have so freely offered me. My only regret is that I have not been able to do more and more efficient work.

Rev. C. F. Reid, who has had a large and varied experience both in the mission fields and in the United States, will be my successor.

He was an active worker and speaker in the great Educational Campaign waged by the Laymen's Missionary Movement, and attended a large number of the conventions.

I bespeak for him the same hearty co-operation you have given to me in his efforts to enlist all our men in doing their share in evangelizing in our generation the forty million of earth's non-Christian people for whom we have assumed responsibility. Please address all writings for the Secretary to him at 810 Broadway, Nashville, Tenn.

year he was in failing health, but he never lost interest in the affairs of his home and his church. It was the privilege of the one who writes this tribute to visit Mr. Nelson often during the last years of his life and the memory of this association remains as a blessing.

When the end came it was just as he would have requested, a simple falling asleep without a struggle.

He was surrounded by his wife, their three children, his physician and a close friend. The next day his body was laid to rest in Elmwood, Rev. Dr. W. W. Bays conducting the service. He and Dr. Bays were close friends and the latter was with him often in his last illness. Mr. Nelson spoke of leaving this world with the confidence of the true Christian and left to his family and friends that priceless legacy of a well rounded life, a finished life, and an abundant entrance into the home of the redeemed.

He was married in early life to Miss Bella Gillespie, of Iredell county; she died about thirty-five years ago. There are three children living of this marriage, Mrs. J. E. Stack, Mr. W. T. Nelson and Mr. Meynardie Nelson. Twenty-eight years ago he was married to Miss Emma Anderson, of Statesville and she with three children survive: Mr. James A. Nelson and Mr. Waldo Nelson and Mrs. Carl T. Blakeney.

These words of the Psalmist apply in a peculiar manner to the life of this good man who has just passed away: "Mark the perfect man and behold the upright, for the end of that man is peace."

#### DECEASED WIVES OF PREACHERS

Mrs. Lydia Leonard Caviness, daughter of A. W. and Carrie Leonard, and wife of the Rev. C. H. Caviness, was born in Chatham, N. C., March 25, 1870, and died in McAdenville, December 22, 1908. In early youth she joined the Christian church, but upon her marriage in 1895 she joined the Methodist church, and was an enthusiastic and faithful member to the end. She was a good neighbor, a true wife, a devoted mother, a consecrated Christian, and when the end came she was calm and trustful. While she lived she did "what she could," and now she hath entered upon that reward promised to all the faithful.

---

Mrs. Leah W. Smiley, wife of the Rev. T. E. Smiley, was born in Missouri, February 27, 1868, and passed to her reward at Weaverville, N. C., October 10, 1909. She had long been a child of the King; had taught in His Sunday school, worked in His church and given of the good treasure of a loving heart to His ministry. She did what she could lovingly, cheerfully, and when the end came she had no fears. She left a husband and one daughter to mourn their loss. The body was laid to rest in Crown Hill cemetery in the city of Indianapolis, to await the resurrection morn.

Mrs. Mary C. Coone, wife of the late Rev. T. A. Coone, was born in Alexander County, N. C., December 28, 1845, and died at Statesville, N. C., November 9, 1909. She joined the church in early life, was a woman of saintly Christian character and for nearly thirty years one of the most consecrated workers in the church at Statesville. Her friends were of all classes and from all denominations, and with her own loved ones, scores bear testimony today to the blessedness of her life and service.

---

Mrs. Julia C. Carpenter (nee Pendergraph) was born in Durham, N. C., April 17, 1880; joined the West Durham Methodist church when fifteen years old. Was married to the Rev. B. F. Carpenter, of our Conference, November 28, 1900 and was active in the work as the wife of a preacher. When he died three years ago she returned to Durham with three little children to live with her parents. Last winter she was stricken with pneumonia and was an invalid until October 1, when she entered upon her well earned eternal reward. In her sickness she was ever patient, and appreciative and withal bright and hopeful. When the end came she was resigned and ready.

---

Mrs. Virginia W. Boshamer (nee Marshall) died suddenly in her home in Wadesboro, N. C., March 22, 1909 in her sixty-third year. She was married nearly thirty years ago to Rev. A. A. Boshamer of the North Carolina Conference, and he died within a few months after the marriage. Mrs. Boshamer, measured by the highest standards, was a Christian and left the impress of her life upon the heart of the community. Many are strong in some of the Christian graces, but she was strong at all the essential points. As a member of the Methodist church, she did well her part and was a leader in every good work. The immense throng that attended upon her funeral indicated the high regard in which she was held. She sleeps beside her husband in the Wadesboro cemetery, awaiting the resurrection day.

Bain to fill the vacancy. Rev. A. W. Plyler was then assigned to Trinity Church, Charlotte, to succeed Brother Bain. Upon authority these changes were made in the Appointments.
